## Malpas Patient Comfort and Equipment Fund:

### *Why it was Founded and What We have Done*

The Comfort Fund was founded in 1988 by Community and Practice Nursing Staff at Laurel Bank Surgery to:

- ◇ Enhance and supplement Nursing Care
- ◇ Provide extra equipment
- ◇ Inform and educate
- ◇ For all residents in Malpas and the surrounding area.

Practising in a rural area, the fund supplements and enhances rural care. Since its foundation, the fund has purchased the following:

- ◇ Wheelchairs (for temporary loan)
- ◇ Pain Relief Equipment
- ◇ Special Mattresses
- ◇ Home Blood Pressure Monitors
- ◇ Nebulisers
- ◇ Medication Cassettes
- ◇ Patient Library, Videos and Toys
- ◇ Supplementary Palliative Care

## Malpas Patient Comfort and Equipment Fund:

### *How it Works and How You can Help*

- ◇ The fund is managed by a team of Health Professionals, Practice Staff and Patient Representatives.
- ◇ Twice a year, the fund meets to democratically discuss and decide how donations are utilised.
- ◇ The fund is completely reliant on voluntary donations and fund raising events.
- ◇ Any donations, large or small, are always appreciated.
- ◇ If you have identified a need and wish to discuss the matter further, please contact the Surgery.
